

HIT, Inc.'s Barrel Cleanout Fun Shoot

Blow the dust out of your shotgun barrel while warming up for the upcoming bird season by shooting a round of sporting clays with HIT, Inc.

While we did cancel our annual charity event, HIT the Clays, this year due to economic circumstances and health concerns related to COVID 19, we still like to have fun and enjoy the outdoors and shooting sports. So... HIT is hosting a fun shoot that is NOT a fund raiser, but rather just a barrel cleanout shoot.

Join us on Wednesday, September 23, 2020 at Capital City Sporting Clays. We are offering 3 start times of 1:00, 3:00 or 5:00 PM. The fun event will consist of a round on the sporting clays course, a team flurry, shells, beverages after you have shot, and 1 ticket for the door prizes (consists of 4 guns and you don't need to be present to win). We are limiting the event to thirty (30) 5 person teams, 10 teams at each start time. The cost is \$65 per shooter or \$325 for a 5-person team.

Please show up early enough to ensure you and your other shooters are registered for the door prizes and ready to take the course at your chosen start time.

Please preregister yourself and your shooters by completing the requested information below and emailing this flyer to mremboldt@hitinc.org or mail it along with your fees to: 1007 18th St. NW, Mandan, ND 58554.
